

HAMPTON, VIRGINIA 23668
(757) 727-5231

OFFICE OF THE PRESIDENT

March 26, 2020

Dear Hampton University Family,

It has been brought to my attention that my internal letter to you on yesterday contained a typographical error. The letter stated, "The 2020 Commencement is now scheduled for September 25, 2020, conditions permitting." However, the currently scheduled date is **Sunday, September 27, 2020**. The correct date appears on our website and social media platforms. Please make note of this change and share the information with others, as needed.

Also, for your information, the University intends to provide prorated room and board credits to those students who have external financial support for their on-campus housing and meals. This credit will be applied to academic year 2020-2021. The Business Office will calculate the amount of the credit for each student and place it on the student's account. Graduating seniors will also receive a prorated room and board credit on their student account. The credit will be applied to any outstanding balance owed to the University. If the account balance is paid in full, Hampton will issue a refund to that student.

Prorated credit for room and board will be analyzed and determined by Mrs. Doretha Spells, Vice President for Business Affairs & Treasurer and her staff. Mrs. Spells will communicate the amount of credit each student will receive within the next several weeks.

With all good wishes,

William R. Harvey
President
