This letter is to advise you of your online ability to access the Hampton University Student System. Among many features, The Hampton University Student System (HUNet) provides personal access to your financial aid award, registration, academic record, and transfer credits. **This is an important system that you will need to use throughout your tenure at the University**. To use this system, go to https://my.hamptonu.edu/portal/page/portal/HY/nava/ax , click on HUNet Administrative Service and then click Enter Secure Area. You will need **two** numbers to log in:

Your student ID number (previously sent by the Office of Admission)
Your Password/PIN (listed here)

IT IS EXTREMELY IMPORTANT THAT YOU KEEP YOUR HU PASSWORD AND HU ID NUMBER IN A SECURE PLACE AT ALL TIMES.

Please activate your password upon receipt of this letter by logging onto HUNet and completing the security question and answer section so you can retrieve your password if you should forget it. You should contact the Office of the Registrar at registrar@hamptonu.edu if you have questions regarding your password. For security reasons, passwords are not disseminated over the telephone or email. They will be mailed to your permanent address.

As a new student to Hampton University, you will initially use the Hampton University Student System for the following financial aid matters:

View any outstanding requirements needed prior to determination of financial aid eligibility.

Acceptance of your financial aid award if applicable. The Office of Financial Aid and Scholarships website has specific instructions on how to accept your award online. Only when you have received a valid Student Aid Report via the Department of Education **and** satisfied all outstanding items pertaining to your financial aid application is an award processed.
