OFFICE OF THE PRESIDENT

November 26, 2014

Dear Hampton University Family,

Recently, there has been significant media attention related to the reporting of sexual assaults on college campuses. I would like for you to know that such behavior by students, faculty, or staff will not be tolerated on the campus of Hampton University. It is my firm belief that no individual should be subject to sexual pressure or assault. Safety is our primary concern.

Any form of sexual assault by any member of the University community should immediately be reported to Mrs. Sonja Vega, the Title IX Coordinator for Hampton University. Her office is located at 212 Wigwam Building. She may also be reached at 757-727-5493 or sonja.vega@hamptonu.edu.

Everyone should know that we will have zero tolerance as it relates to sexual assault. If such an incident is reported and an individual is found guilty, he or she will be dealt with swiftly.

With all good wishes,

William R. Harvey
President
