INSTRUCTOR EVALUATION: Battalion chain of command and instructor evaluation can result in up to 12 points. Evaluation will be in accordance with existing NROTC policy. Students will be reduced points for receiving chits, failing to complete assignments/training, and for a negative finding at a Performance Review Board (PRB).

HONOR PLEDGE: Pursuant to the Hampton University Code of Student Conduct, violations of academic dishonesty, including, but not limited to, cheating, fabrication, plagiarism, or facilitation are considered unacceptable behavior and will result in formal disciplinary proceedings. Fabrication is intentionally falsifying or inventing any information or citation in an academic exercise. This includes, but is not limited to, providing forged or misrepresenting doctor’s notes to avoid physical training, lying or otherwise misrepresenting BCA and/or PRT scores, or lying to avoid attending classroom drill sessions. Cases of academic dishonesty are initially investigated and reported by members of the instructional faculty to the chairperson of the department in which the cheating occurred, to the school dean, division director and to the Provost. Also, penalties for minor violations of academic dishonesty are to be recommended at the discretion of the instructor. Students found guilty of academic dishonesty are subject to receiving an overall grade of 'Fail' in accordance with university policy.

ACCOMMODATING STUDENTS WITH SPECIAL LEARNING NEEDS: In accordance with university policy, a student who wishes to receive some instructional accommodation, because of a documented sensory and/or learning disability, should meet with the instructor to discuss this accommodation.
