## J-1 / DS-2019 EXTENSION OF STAY APPLICATION

The J-1 visa allows you to remain in the U.S. until the end date on your DS-2019. If you will not complete your work or research by the expected date, you must file for an extension **BEFORE the end date on your current DS-2019**. Failure to file a timely application will result in loss of J-1 status. J-1 Extensions are granted in maximum 12-month increments. Please contact the International Office, if you have dependents that will need extensions.
