# HU Young Diplomats Program

(June 23 – 29, 2019)

**Early Registration \$750 paid in full by April 30!**

HAMPTON UNIVERSITY  
**YOUNG  
DIPLOMATS**  
SUMMER PROGRAM

## The Residential Camp Experience

The Hampton University Young Diplomats Summer Program (YDP) provides a stimulating and enriching residential experience for high school (rising 9th -12th grade) students from around the country on our beautiful campus. This year's exciting curriculum explores approaches to Leadership, Global Affairs, Media & Culture, Topics in Chinese Culture, SAT Preparation and College Writing. Participants will learn through global communication how the United States and China respond to humanitarian issues, thus, how societies help people. This learning experience will be fortified by a trip to Washington, D.C. to visit sites such as the U.S. State Department, Chinatown, and Potomac Mills Mall.

## Program Activities

Program topics and activities are subject to change. Activities are on a first come, first served basis.

"The Young Diplomats program was an amazing life changing experience. From the bond of friendship to learning about the history of Hampton's campus, I feel as if I have a new outlook on life." Malik W. YDP Participant.

"I participated in the various courses and workshops during the program. One thing that they all had in common was that they focused on developing students' minds for more than just an education." ~Timothy B., YDP Participant
