IMPORTANT INFORMATION FOR UNDERGRADUATE CANDIDATES

DEGREE AUDIT CAPP – (Curriculum Advising and Program Planning) Check HUNet

STUDENTS MUST FULLY MEET ACADEMIC REQUIREMENTS AS INDICATED IN THE APPROPRIATE CATALOG AND SUPPLEMENTS.

The audit serves two purposes:

- (1) To indicate to the student the requirements which have been completed and
- (2) To show remaining requirements in the degree curriculum.

Bachelor's degree applicants and department chairpersons will review a graduation audit to confirm remaining degree requirements. The student should review the audit with his or her advisor and have the departmental chairperson notify the Office of the Registrar, in writing, of any discrepancies.

The **student must ensure** that all work is completed, (i.e. waivers/substitutions, change of grades, and transfer credits, etc.) and that official documentation reaches the Office of the Registrar. The Deans and Chairs have a schedule issued from the Office of the Registrar that lists the deadlines for this information. **It is the student's responsibility to check with the major advisor and ensure that the deadlines are met.**

NON-COMPLETION OF DEGREE REQUIREMENTS

Students who do not complete degree requirements will receive an unsuccessful packet. This packet will contain dated materials concerning the completion of degree requirements. Unsuccessful packets will be mailed to the permanent address. Students who are within 6 hour or fewer from meeting their degree requirements will receive Provisional status, and will be allowed to participate in the en masses ceremony. **The student will be required to update the graduation application to the expected term of completion. Students must be enrolled the semester in which they intend to graduate and have an updated application on file in the Office of the Registrar. The CRT 000-01 registration is a zero-credit course used to keep a graduating candidate's academic record active at Hampton University. The cost of this registration is \$150.00.

This course is required for all candidates who must complete any coursework that is not inclusive of normal matriculation at Hampton University or candidates who have received permission to complete their final courses at another institution.

CRT registration is required if, an Application to Take Courses at Another Institution is on file and it must be completed prior to the student taking the course away.
