CONNECTING YOU TO AN   
Education for Life

Fall Open House is a great opportunity for students and parents to acquaint themselves with Hampton University and discover all the great things we have to offer. This year, the COVID-19 Pandemic has challenged us to think outside the box with respect to our visitation programs. While we are not able to physically welcome you to campus, we are still planning to offer you an experience that will provide a view of our spectacular programs and services. The program will include a formal Welcome Session, Student and Parent Panel Presentations, a performance by our Marching Band and a few other surprises! The event also includes a guided tour of our spectacular campus.

So, mark your calendar for **October 17, 2020** and plan to join us via Zoom at 10:00 a.m. You must register to attend this event at the link below.

Our virtual Open House program will be moderated by HU Alumna, and multimedia personality  
**Allison Seymour.**

REGISTER PRIOR TO OCTOBER 9
