

WHERE: Health Center webpage
WHO: All current HU Students
WHEN: Anytime
WHY: Student convenience
HOW: See below

STUDENT PORTAL

Health Center

STEP 1: Creating an Account

- Click Student Portal on Health Center Home Webpage
 - Click Sign-Up next to New Patient?
 - Enter Student Information
 - Enter Email Address for Verification and Sign-In
 - Complete User Set-Up
 - Read and Complete the User Agreement
-

Step 2: Verifying Email Address

- Go to the email address you entered during Step 1
 - Verify your email address by clicking the link in your inbox
 - YOU NOW HAVE A VERIFIED ACCOUNT!! 😊
-

Step 3: Perks of using the Student Portal

- Sign-In using your credentials
 - Book your appointment
 - Complete your forms – this will cut down on your wait time and expedite your visit
 - Update your profile information
-

Additional Information:

- Call or email the Health Center if you receive this message during Step 1: *Patient not found. Please re-enter your information or contact your practice for more information regarding the issue.*
 - Remember to verify your email address **before** signing into the portal.
 - Always bring your current HU ID along with your insurance card.
