Finance Security Budget /Account Numbers			
Index	Fund	Organization	Type of Access Query/Modify/Both

Check if additional account numbers are attached to this form.

System accounts will not be generated for persons not employed by Hampton University. Only staff persons who can be successfully verified as Hampton University employees through the Human Resources System, or through documentation such as contracts will receive access to M.I.S resources. User IDs generated for temporary employees or staffing persons will be at the risk of the department's supervisors and the agency at which the person is employed. Therefore the agency is liable for damages to information and or resources.

--	-------------

Please be aware of the following:

- Forms and reporting results may contain Sensitive PII is information which, when disclosed, could result in harm to the individual whose privacy has been breached. Sensitive PII should therefore be protected. Such information includes biometric information, medical information, personally identifiable financial information (PIFI) and unique identifiers such as passport or Social Security numbers.
- The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. A **school official** with a **legitimate educational interest** is permitted access to an **education record**.
