

Commencement Traffic and Parking Instructions

Congratulations on your BIG DAY from the Hampton University PD!

It's a "big day" too for traffic and parking, so review this information.

First, **ARRIVE EARLY!** Why stress? Give yourself plenty of time.

The following rules are in effect; see the graphic on the next page:

Participant Parking:

- Faculty and graduate participants are to park on **Bemis Lawn**, to make more guest parking available on campus.

Guest Handicap Parking:

- **Lot 11** (at Holland Hall/Convocation Center) is **RESERVED** for vehicles with handicap plates/placards and with HU decals.
- Follow All Parking Staff Instructions.

Guest General Parking:

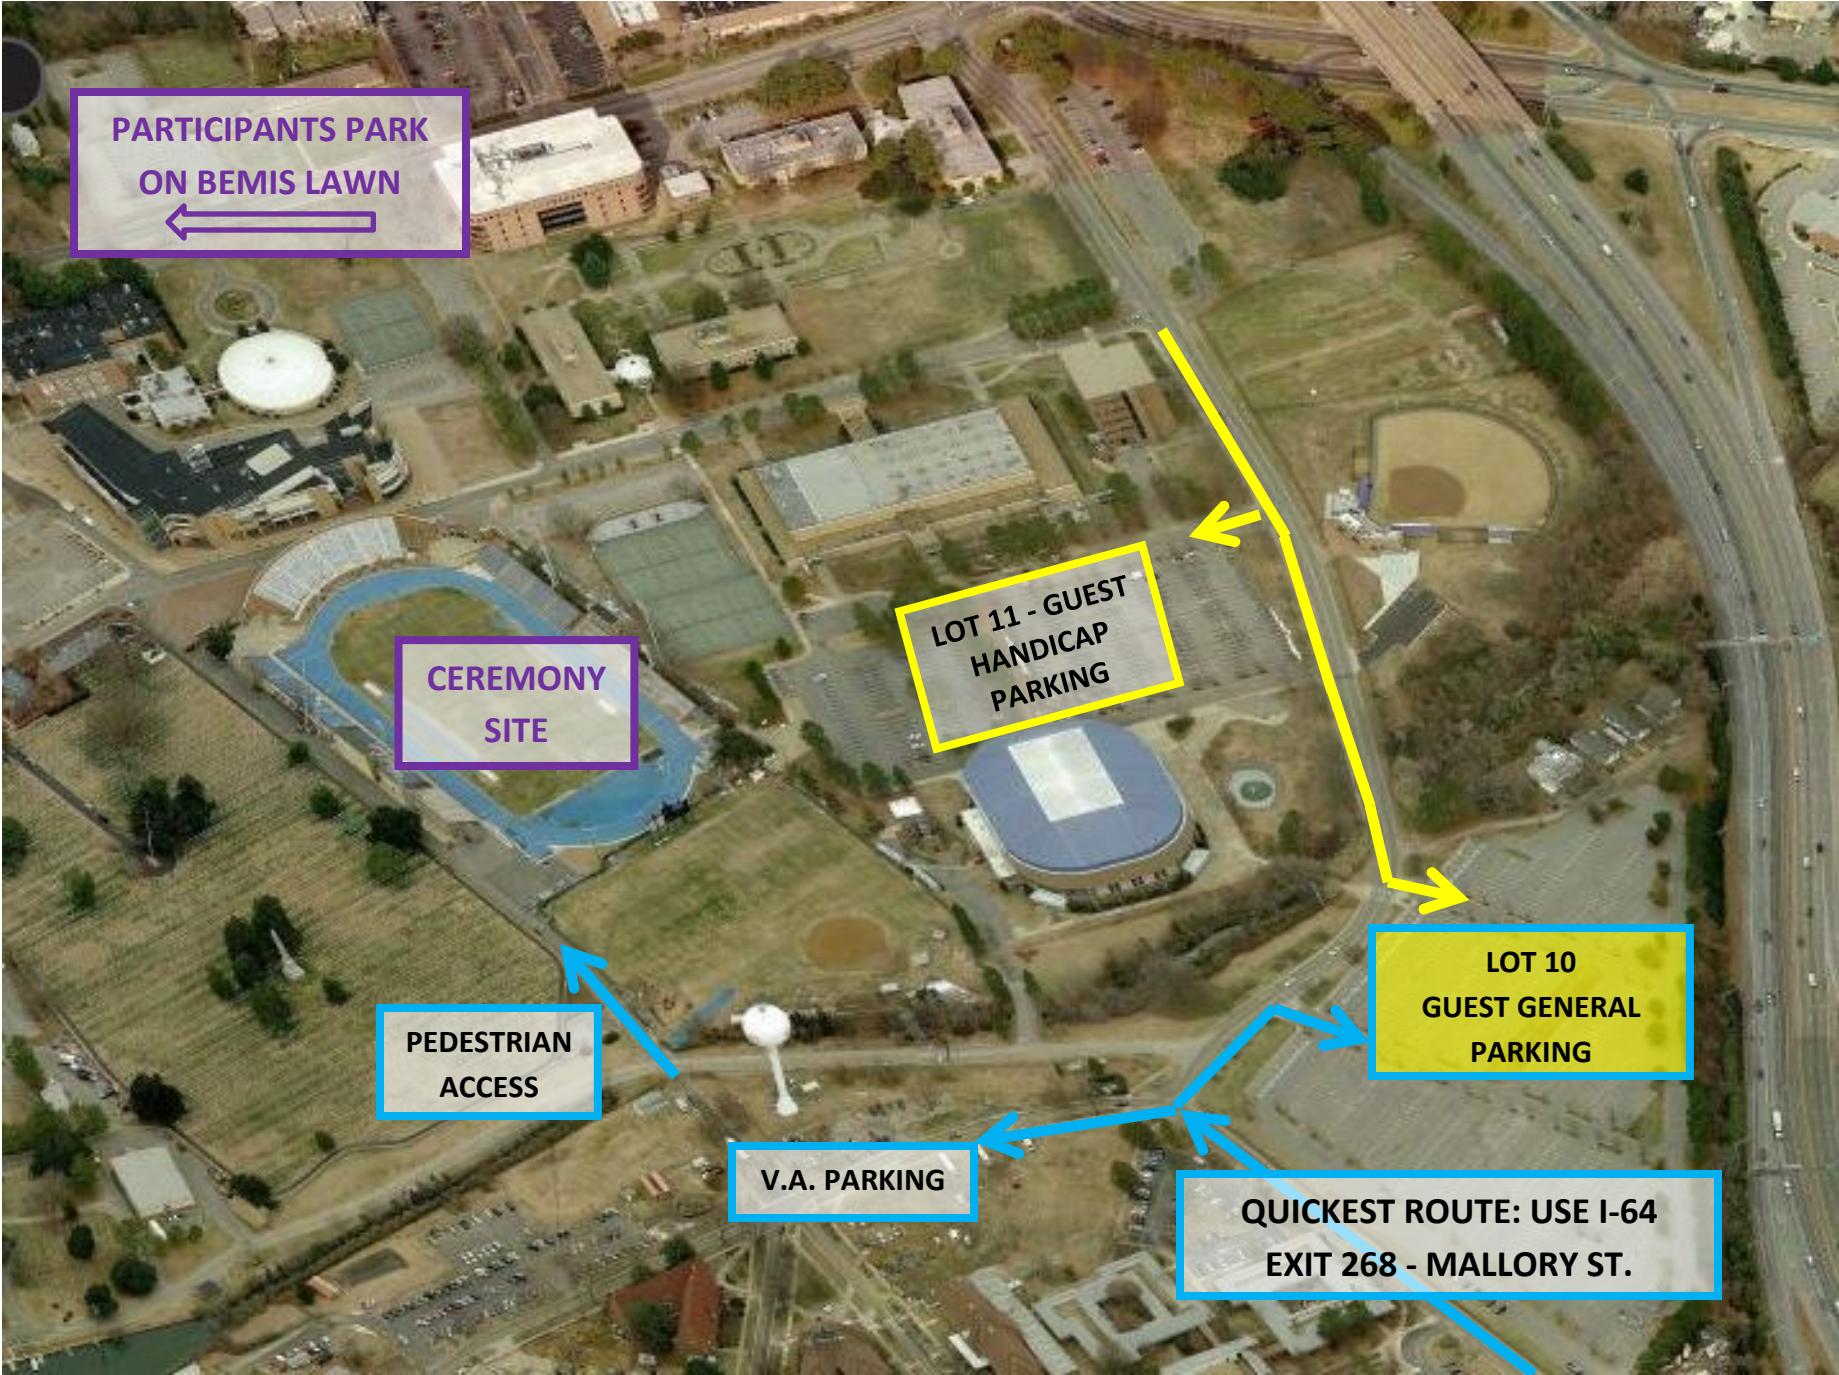

- **Lot 10 and How to Get There.** Guest general parking is in Lot 10 (aka "Africa"). Expect congestion at the I-64 Settlers Landing Exit 267 – the easier, quicker, and **SAFER** way to Lot 10 is to **use I-64 Mallory St/Fort Monroe Exit 268 and come past the V.A** See the graphic on the next page. Vehicles may also be directed to the V.A.
- **Campus Parking.** All campus parking lots are first come/first served except spaces marked reserved, which are still reserved.
- Follow All Parking Staff Instructions.

Restricted Parking: On campus restricted lots are:

Lot 5: (At S&T) VIP, Senior Staff, & Media only

Lot 8: (At Harvey Library/Kittrell Hall) ATM Staff only
