OFFICE OF FRESHMAN STUDIES AND  
PRE-COLLEGE PROGRAM  
(757) 727-5243

Dear Future Hamptonian,

Congratulations on your recent acceptance to Hampton University! I am writing to inform you that Hampton University will offer our annual Pre-College/Summer Bridge program June 19 - July 24, 2020 and we would love for you to participate. This year's program has been restructured as a result of the COVID-19 pandemic. Recognizing that the coming weeks and months may present a great deal of uncertainty in our educational communities, we would like to assure you that Hampton University is committed to ensuring that your summer school experience is meaningful and successful.

In lieu of in-person classes, this year's summer program is offered through remote instruction via a virtual classroom experience. Faculty and students will actively engage in instruction and learning using the Blackboard Collaborative Ultra software platform.

The Pre-College Program begins Friday, June 19, 2020 with virtual orientation activities for students and parents scheduled through the weekend. Classes begin Tuesday, June 23, 2020. The total cost is now \$1,350.00. The initial deposit of \$500 is due May 1<sup>st</sup>, and the final payment of \$850 is due June 1<sup>st</sup>. To make payments using a credit/debit card, please call 757-727-5663 or you may pay online at <https://commerce.cashnet.com/cashnetg/selfserve/BrowseCatalog.aspx>

The Pre-College/Summer Bridge program will require medical clearance by June 1<sup>st</sup> for participation. Medical clearance is completed thru the Med Proctor online platform, and you must have an active Hampton University email account to register. Information on this process can be found [http://www.hamptonu.edu/student-services/health/medical\\_requirements.cfm](http://www.hamptonu.edu/student-services/health/medical_requirements.cfm)

If you would like to participate in the Pre-College/Summer Bridge program, please submit the enrollment form if you have not already done so using the link below. As a reminder, provisionally admitted students **are required** to participate in the Pre-College/Summer Bridge program. Additional details regarding the full program experience will be forwarded in future correspondence. I wish you the best with the remainder of this academic year, and I look forward to welcoming you (virtually) on Friday, June 19, 2020.
