

Commencement Shuttle Bus, Traffic & Parking Instructions

Congratulations on your “big day” from HUPD! It’s a “big day” too for traffic and parking, so review this information.

First, **ARRIVE EARLY!** Why stress? Give yourself plenty of time.

Secondly, **TAKE YOUR TIME DEPARTING!** Outbound traffic is always very heavy following diploma issuing ceremonies - avoid the congestion by taking a stroll on campus with your commencement guests.

Participant Parking: Faculty and graduate commencement participants are to park on **Bemis Lawn**, to make more guest parking available on campus.

Free Parking & Shuttle Bus - Downtown Hampton to Armstrong Stadium:

- [Settlers Landing Garage](#) 555 Settlers Landing Rd, pickup/drop off in front of [Hampton History Museum](#)
- [Crown Plaza Garage](#) 700 Settlers Landing Rd., pickup/drop off at hotel

Guest General Parking (see next page graphic):

- **Lot 10 By Way of the V.A.** Guest general parking is in Lot 10 (“Africa”). Expect congestion at the I-64 Settlers Landing exit 267, so **use I-64 Mallory St/Fort Monroe exit 268 and come by way of the V.A** for a quicker and SAFER way to Lot 10. We may also direct you to the V.A.
- **Campus Parking.** All campus parking lots are first come/first served except spaces marked reserved, which are still reserved.
- Follow all parking staff instructions.

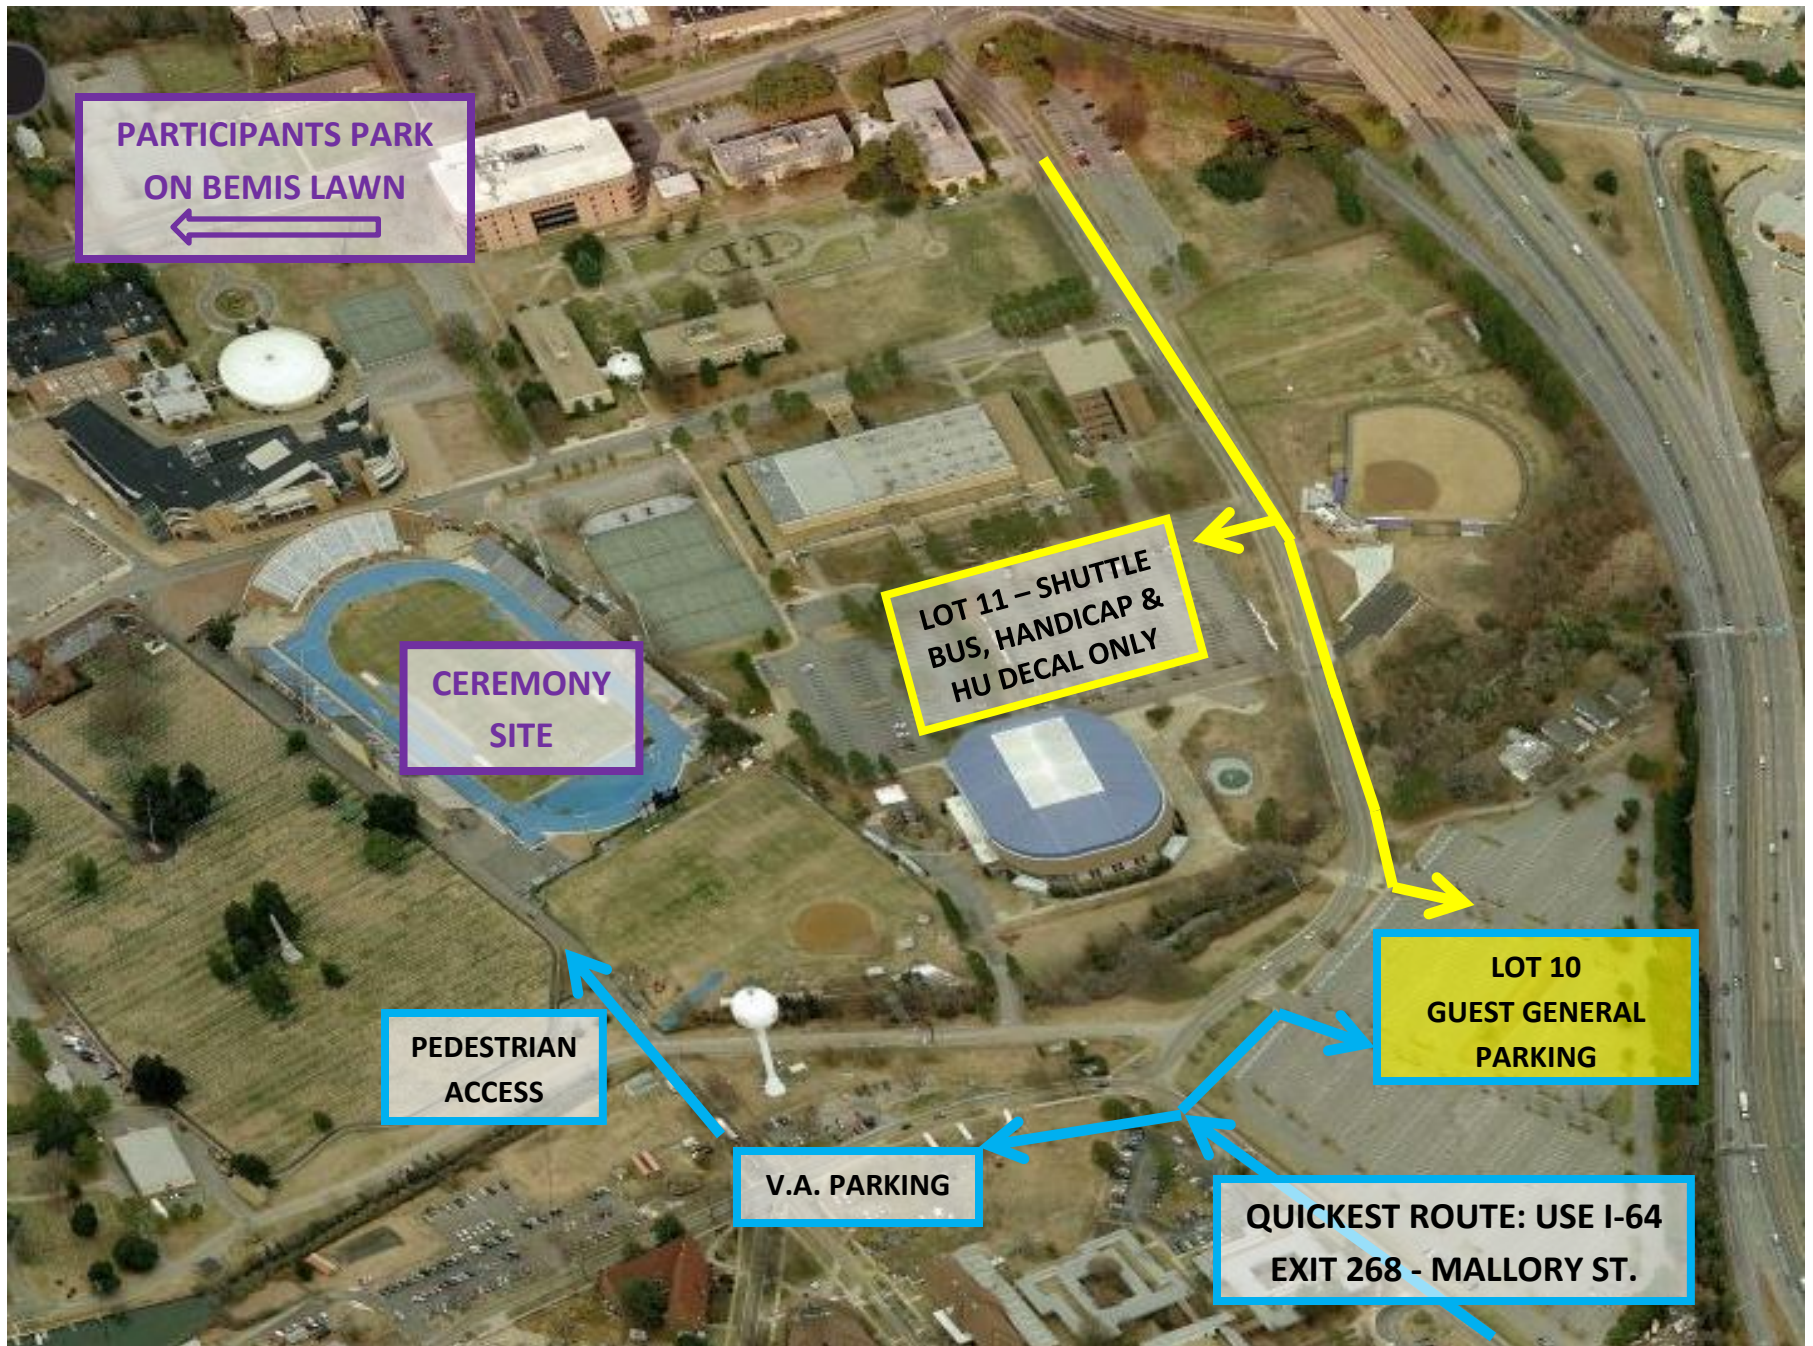

Guest Handicap Parking:

- **Lot 11** (at Holland Hall/Convocation Center) is **RESERVED** for vehicles with handicap plates/placards, HU decaled vehicles, and shuttle buses.
- Follow all parking staff instructions.

Restricted Parking: On campus restricted lots are:

Lot 5: (At S&T) VIP, Senior Staff, & Media only

Lot 8: (At Harvey Library/Kittrell Hall) ATM staff only
