### Unusual Enrollment History Form

Your 2018–2019 Free Application for Federal Student Aid (FAFSA) has been flagged for “Unusual Enrollment History Review” by the U.S. Department of Education because you have received Federal Pell Grant funds at multiple institutions during the period: 2014-2015, 2015-2016, 2016-2017, and 2017-2018. Because of this, Hampton University must review your enrollment history and determine eligibility of federal student aid funds. During this process, we will validate self-reporting information provided by the student with that of the National Student Loan Data System (NSLDS). If you have questions about this matter, contact us as soon as possible so that your financial aid will not be delayed.
