OFFICE OF THE PRESIDENT

August 4, 2021

Dear Hampton University Students:

All of us have been through a horrendous experience over the last year and a half as we adjusted to living in the midst of the world-wide COVID-19 pandemic. Throughout the entire pandemic, Hampton University has remained steadfast in making decisions based on what we believed to be in the best interest of our students, faculty, and staff. We always put the health and safety of the entire Hampton community above all else. Although we are not out of the woods yet, things are much better than they were during the early days of the pandemic.

We are excited to welcome you back to campus for the 2021-2022 academic year. Recognizing that many of our students and their families have experienced financial hardships due to the pandemic, the University is providing assistance to our returning students. Utilizing funds that we received from the Federal Relief Act, we will pay the outstanding balances owed by our undergraduate students who were enrolled at the end of the Spring 2021. It is our hope that these funds will assist our students in continuing their Hampton experience and enjoying a seamless transition back to campus.

In a few days, those of you who are eligible for this relief will receive correspondence which outlines the steps that you must take in order to have the funds applied to your account from Dean Angela Boyd. Please respond to her immediately.

As President of Hampton University, I look forward to seeing you on campus in the next several weeks. I am confident that this will be a very productive semester. Stay safe. Stay strong. Stay positive!

With all good wishes,

/s/ William R. Harvey
President
